Work History

Education Consultant **Phoenix Consultancy**-Tokyo, Japan

My duties include:

- Teaching open MBA classes to senior managers from large Japanese corporations.
- Teaching courses such as Strategic Organizational Planning, Marketing Culture and Strategies, Ethics and Market Research.
- Developing curriculum and designing various learning aids to support the concept of Flipped Classroom teaching.
- Designing and administering several tests to measure the effectiveness of different curriculum and teaching aids.

Associate Professor **ADVAN College of Foreign Languages**- Gotemba City, Japan

My duties included:

- Teaching Conversational and Business English to Corporate clients including major Japanese international brands such as Toyota, Honda, Mochida Pharmaceuticals, Nihon Plast and Universal Cans.
- Preparing clients for the IELTS and Eiken English exams.
- Designing and administering local district examinations.
- Overseeing the development of the English for Academic Purposes curriculum for adult ESL learners at the Advan College of Languages using Andragogical, Constructivist and Transformational Leadership principles.
- Using ICT as well as Content and Language Integrated Learning (CLIL) to design curricula for the Science in English (SiE) and Music in English (MiE) courses.
- Designing and instituting a Professional Learning Community culture at my college where faculty could meet and share craft knowledge on a regular basis.

Assistant Language Trainer **INTERAC Company Ltd**- Hamamatsu, Japan

My duties include:

- Teaching English to over 1,000 students in two different Junior High Schools.
- Administrative duties in the Gotemba Board of Education.
- Planning, preparing and delivering lessons to a range of classes and age groups.
- Preparing and setting tests, examination papers and exercises as well as marking and providing feedback on oral and written work.
- Devising, writing and producing new materials, including audio and visual resources and organizing and getting involved in social and cultural activities such as sports competitions, school festivals and excursions.
- Successfully improved student participation in the classroom through integration of creative role-playing exercises.

Business Tutor **Hydel High School-** Kingston, Jamaica

My duties included:

- Provide tutoring for over 50 students in core courses such as Academic Writing and Business Writing.
- Tutoring by way of e-mail and video conferencing.
- Assist students in improving academic achievement by meeting with them on a regular basis to clarify learning problems and work on study skills.
- Reviewing class material, discussing the text, predicting test questions, formulating ideas for papers, or working on solutions to problems.
- Assisted in developing student-led after-school tutoring program to teach under-privileged students.
- Created programs to get students interested in higher learning.

E-Business Analyst **Registrar General's Department-** Twickenham Park, Jamaica

My duties include:

- Responsible for the Public Relations Operations of the Agency's cyber customers.
- Assisted in the maintenance of the security and integrity of the Agency's on-line Payment facilities.
- Responsible for the promotion of the Agency's products internationally.
- Managed a team.
- Boosted website traffic by approximately 40% by creating an integrated social media strategy.
- Created effective messaging using language, graphics and marketing collateral.
- Reviewed and edited blog posts to guarantee high content quality.
- Devised email strategies, including segmenting strategies, welcome email auto responders and training drip campaigns.
- Managed project deadlines and monitored milestones through completion stage.

Business Lecturer **Hutton's Education Institute-** Kingston, Jamaica

My duties include:

- Preparing and delivering lectures to undergraduates on topics such as Financial Accounting, Principles of Marketing, Operations Management and Business Ethics.
 - Preparing course materials such as syllabi, homework assignments and handouts as well as initiating, facilitating and moderating classroom discussions while keeping abreast of developments in my field by reading current literature, talking with colleagues and participating in professional organizations and conferences on a regional level.
 - Preparing a cohort of 400 students per year for regional and international exams.
 - Performing administrative duties such as acting as department head and writing grant proposals to obtain funding for research.
 - Advised students on course selection, progress toward graduation and career decisions.
 - Developed Business Administration teaching aids, instructional software, multimedia visual aids and study materials.
 - Wrote and designed continuing education examinations.
 - Worked with an average of 50 students per class.
-
