It's Domain Renewal Time

=====

Hi Stephen,

You've got one or more domains which will expire in 30 days. You can easily renew them now by clicking the button below.

Renew Now >>>

[https://service.www.namecheap.com/api/v1/domainnotices/addtocart?
producttype=domains&action=renew&domainlist=jeremychambers.me,](https://service.www.namecheap.com/api/v1/domainnotices/addtocart?producttype=domains&action=renew&domainlist=jeremychambers.me)

IMPORTANT: Unfortunately, we weren't able to process one or more of your domains that are set up for auto-renewal. But don't worry, you can renew your domain(s) either manually or by updating your payment details before the expiry date.

**** Domain(s) Due for Renewal on March 16, 2025 ****

Product Name	: jeremychambers.me
Auto-Renewal	: On
Price	: \$22.98

If a domain is not renewed on time, it will enter the Redemption Grace Period. During this time your domain will stop working, and no changes can be made to the domain.
